

*In the end that Face which is the delight or the terror
of the universe must be turned upon each of us
either with one expression or with the other,
either conferring glory inexpressible
or inflicting shame than can never be cured or disguised.*

*The promise of glory is the promise, almost incredible
and only possible by the work of Christ,
that some of us, that any of us who really chooses,
shall actually survive that examination,
shall find approval, shall please God.*

~ C.S. Lewis (The Weight of Glory)
